

We invite you to take the content of our Sunday Morning worship hour, and discuss with a friend, your family, or your LIFEgroup each week. This is meant to be a guide for your discussions and can be used as a launching point or complete study outline. Feel free to choose all, many or even just one that will work best for your LIFEgroup.

## SUMMARY.

God's love never gives up. What we think of God shapes the way we walk, talk, think, love, & move. God is abounding in loyal-love. His loyal-love is not dependent on our faithfulness, God abounds in loyal love, Hesed & Emeth, because of who He is. Jesus showed us what Yahweh's loyal love in action looks like, regardless of your faithfulness, regardless of your loyalty, of your sin, Yahweh is abounding in love & faithfulness, in Hesed & Emet. Because Jesus, who is fully God & Human, was loyal & faithful to God & gave His life on the cross, we can look forward to & have the confident hope of the day when Jesus returns, death & evil will be defeated, & we'll be set free to live with & love God forever. As followers of Jesus, the same must be said of us. - If the world is going to believe in a God who is abounding in loyal love, a love not dependent on how good you are, then they need to see this love lived out in the people of God.

## A SCRIPTURE TO READ.

6 And he passed in front of Moses, proclaiming, "The Lord, the Lord, the compassionate and gracious God, slow to anger, abounding in love and faithfulness,7 maintaining love to thousands, and forgiving wickedness, rebellion and sin. Yet he does not leave the guilty unpunished; he punishes the children and their children for the sin of the parents to the third and fourth generation.

**Exodus 34.6-7**

I will betroth you with me forever; I will betroth you in righteousness and justice, in love (Hesed) and compassion. I will betroth you with faithfulness (Emeth), and you will acknowledge the Lord.
